### Travel information

#### How to get to and from Stryn

Whether you arrive at Oslo Airport Gardermoen, in Trondheim or in Bergen, getting to Stryn is easy, as there is an express bus service from each of these places with comfortable, modern buses, and three daily departures to Stryn. We recommend that you travel via Oslo Airport Gardermoen; Norway's main airport. The express bus to Stryn leaves the airport terminal three times a day, in the morning, in the afternoon and late in the evening. The trip takes about 8 hours.

If you want to travel by air, the best alternative is to fly to Ålesund Airport. Between Ålesund and Stryn there are three daily departures each way. We have in addition the local airport at Sandane.
